When an unexpected visitor arrives at the farm, the animals are shocked to find out it's ... a shark? In this super-silly summer read-aloud by a former writer for The Simpsons, children will giggle as they watch Farm Shark's new pals try NOT to get chomped. Dive into the strangest farm ever, where a shark moves in and brings chaos to its quirky inhabitants. As one animal after the next find themselves in the shark's tummy, it's up to Farmer Jolene to come up with an inventive-and ticklish-way to get her animals back. Young readers and their grownups will giggle at the sarcastic banter as each animal lands inside the shark ('I love the echoes in here! BAWK BAWK BAWK BAWK'). And as unexpected friendships and allegiances are formed within the shark's belly, a story of adaptability, community spirit and pure silliness emerges.

KEY SELLING POINTS:

- A hilarious farmyard adventure featuring the most unexpected farm animal ever: a shark!
- Packed with silly humour and witty banter that will have kids and grown-ups giggling.
- A heartwarming story of friendship and community with plenty of chaos, surprises and pure silliness.

The SLEEPOVER BFFs have just scored their biggest gig ever—a MEGA HALLOWEEN sleepover for fifteen kids! Naira is sure she can handle it, especially because she has the perfect place to go and have some peace and quiet in the middle of all the prep chaos ... that is, until a surprise visitor shows up and throws everything into CHAOS. As a storm heads straight for the town, will Naira's secret come between her and her friends? And will she figure what to share and what she needs to PROTECT?

KEY SELLING POINTS:

- An exciting, fun series for readers 9+ from much-loved Australian author, Fiona Harris, who has over 130,000 copies of various books in print.
- Books sold with gorgeous BFF necklaces—one for you, one for your bestie!
- This is the fifth book in the series, which celebrates friendship, small-town adventures and having incredible, fun sleepovers.
- With great humour in this book, Fiona Harris also celebrates individualism and personal growth.
- In this story, the friends' sleepover business is booming, and Naira, one of the Sleepover BFFs, is learning how to balance her business with her friends, her busy home life and school. She's trying to fit it all in and still find a moment to herself!
- Perfect for fans of Baby-sitters Club and Sleepover Club series.

Perfect for fans of *Powerless*, this is a gripping tale of the battle to survive a deadly tournament to win the wish your heart most desires. When Talia unwittingly steals cursed jewels from a powerful Soulweaver, she pays the ultimate price: the Soulweaver takes her sister's soul. Desperate to save her sister, Talia strikes a deal. She will enter a deadly, magical tournament and if she survives, she will claim the prize of a wish—the only payment the Soulweaver will accept in exchange for the return of her sister. But the tournament can only be won in pairs and Talia is paired with Taron who wants nothing to do with her. But they must find a way to work together if they are going to make it through the deadly trials alive. And as Talia's feelings for Taron grow, the stakes get even higher and the ultimate price might be her heart.

KEY SELLING POINTS:

- A heart-pounding YA romantasy about a girl who is willing to sacrifice everything to bring her sister back from the dead.
- Prepare for swoon like never before, with slow-burn #EnemiesToLovers tension throughout.
- Perfect for fans of The Hunger Games. *A Wish So Deadly* marks the debut of an outstanding new voice in YA fantasy.

Preston and his brothers are in a graveyard making a YouTube video about monsters when they are attacked by a real-life zombie! But it's not just any zombie - it's Preston's best friend Tommy who passed away a few months ago after an unfortunate squash avalanche accident in a supermarket. Thrilled to have his friend back, Preston promises to give Tommy lessons so he can once again fit into everyday life and they can stay friends forever. However, Preston's lessons are repeatedly thwarted by his brothers. Twelve-year-old Zac bosses everybody around, while eight-year-old Hal keeps making up stories and pretending he can understand what Tommy is really saying. Meanwhile, monster hunter Vincent Valiant will stop at nothing to put Tommy back in the ground where he belongs. If the brothers can't find a way to get along, they could end up losing their friend forever.

KEY SELLING POINTS:

- A creepily fun story filled with the scares of Goosebumps, the humour of Wimpy Kid, and a heartfelt message on finding hope after loss.
- Packed with brilliant black and white illustrations throughout.

Sarah T. doesn't believe in a lot of things anymore: That her best friend is still her best friend now that her best friend has a new best friend. That her dad still loves her as much as he used to, now that he has a new baby and a new wife. She isn't even sure she believes in magic, when once upon a time she believed that anything was possible. But when she follows a pair of beckoning squirrels up up up a leafy driveway to a clearing in the woods, and a house falls on her head—a house that seems like it could be from an old-time movie—Sarah T. definitely believes something strange is going on. So does the new kid in her class, a boy genius who has scientific theories about time travel ... even though he's not so good with cell phones or computers. For the first time in a long time, Sarah T. feels like she's got somebody on her side. But what happens when the house falls on her head again—and this time the new kid's standing right next to her?

KEY SELLING POINTS:

- A relatable story about friendship, family changes and finding your place.
- A captivating adventure filled with secrets, surprises and a touch of time-travel magic.

Tig has been packed off to Game Camp to gain confidence, but is immediately wary of the other team members: bossy and ultra-competitive Maya; intense Joni; grumpy screen-addicted Frank; and quiet, sporty Jake. They are all so different, but must find a way to work together. They embark on a series of physical and mental challenges, with Tig (and therefore the reader) choosing the path. When the team starts noticing strange things happening around them in the woods—ghostly noises, wild weather and suspicious-looking Game Camp staff—they uncover a mystery to solve. Will you lead the team to victory, or into chaos? And will they all find out a lot about their true selves during the process ...? You, the reader, will make choices for the team throughout this story. YOU are in charge of the Game!

KEY SELLING POINTS:

- An exciting, interactive story where YOU choose the next move! With multiple pathways, it's *Sliding Doors* for a younger audience.
- An empowering, highly engaging format with a cracking mystery story all in one.
- Themes include: why it matters to be kind, being true to yourself and the importance of teamwork.

Alone in a town torn apart by war, young Rico finds comfort and purpose in caring for a damaged teddy bear named Osborn, handed to him by a soldier. Years later, Rico himself becomes a soldier—the kind who carries medicine and bandages instead of a gun. Before he goes off to war, he places Osborn in the window where he faces the light. Months later, when Rico himself is wounded, his treasured friend returns in an unexpected form to carry him towards safety and light.

KEY SELLING POINTS:

- A sophisticated picture book with layers of meaning, offering opportunities to explore war, loss, hope and kindness.
- Amidst the destruction of wartime, a message of hope remains.
- Evocative illustrations by Andy Conlan combine delicate linework and muted colours to bring warmth and emotional depth to Rico's moving story.

April 29, 1975 In the early morning hours, Malcolm and Violet are woken by their dad and told to pack up and be ready to leave in three minutes. Their dad works for the United States Embassy in Vietnam, and the North Vietnamese Army, alongside Viet Cong guerrilla fighters, have attacked. The Vietnam War isn't over. Malcolm and Violet scramble to pack their things and rush to the embassy with their dad. There is an evacuation plan to get Americans and their allies out of the country—as long as your name is on the official list. The twins and their dad are on the list, but the siblings realise their best friend, Bao, isn't. Determined to help Bao and his family, Malcolm and Violet sneak out of the embassy to find their friend and convince officials to put his family on the list. But the streets have become a battleground, and Malcolm and Violet don't have much time. If they don't make it back to the embassy before the last helicopter leaves, they'll be trapped behind enemy lines forever.

French-Jewish doctor Odette 'Sylvie' Rosenstock and her friend, Syrian-Jewish actor and philosopher Moussa 'Monsieur Marcel' Abadi, were forced to flee Paris after the Nazis defeated France during World War II and began their violent, hateful campaign to destroy the Jewish people. However, when Odette and Moussa discovered that the Nazis were brutalising Jewish children, they found that they just couldn't sit idly by. Using false identities, the young couple created The Marcel Network, and with the help of many people from all walks of life—priests, nuns, Protestant families and others—they created a secret web of refuge, places where they could hide Jewish children in plain sight. Their efforts saved 527 children.

KEY SELLING POINTS:

- A remarkable true story of courage, as a young couple risked everything to rescue Jewish children from the Nazis during World War II.
- Discover how false identities, hidden refuges and a network of courageous helpers helped save 527 children.
- Packed with authentic photographs, archival records and firsthand testimonies that bring this extraordinary story to life.
- This powerful account shows what ordinary people can achieve in the face of unimaginable danger.
- Perfect for history and World War II enthusiasts.

Meet Pocket, created as a good luck charm for soldiers going into battle, whose bravery and loyalty lives on long after the war. Thimble-born from tip to toe, Pocket Bear remembers every moment of his becoming: the glimmering needle, the silken thread, the tender hands as each careful stitch brought him closer to himself. Born during the throes of WWI, he was designed to fit into the pocket of a soldier's jacket, eyes sewn a bit higher than normal so that he always gazed upward. That way, glancing at his pocket, a soldier would see an endearing token of love from someone back home, and, hopefully, a good luck charm. Now, over a century later, Pocket serves as unofficial mayor of Second Chances Home for the Tossed and Treasured, where stuffed toy animals are refurbished and given a fresh opportunity to be loved. He and his best feline friend Zephyrina, known far and wide as 'The Cat Burglar', have seen it all, and then some.

KEY SELLING POINTS:

- An unforgettable tale of bravery, loyalty and kindness.
- A reminder that love comes in many forms (sometimes filled with fluff), and that second chances are always possible.
- A heartwarming tale that follows the various adventures of Pocket and his best friend, a fluffy cat named Zephyrina.
- Stunning black and white illustrations throughout the book bring the characters to life.

In the dead of winter, deep in the Forest of Ardennes, as the devastation of World War II drew to a close, a desperate Nazi army launches a surprise attack on Allied forces in the early morning hours of December 16th. As the ground is blown apart by mortar shells and an endless curtain of bullets rains down upon them, the mostly young, inexperienced and exhausted Allied soldiers must take up arms against the Nazis. Blinded by dangerous blizzards and hampered by the rough terrain, they fight to hold their positions until reinforcements arrive. But deadly weather conditions and the surprise attack make matters difficult, and soon, the Allied forces are overwhelmed—outmanned, outgunned and underprepared. As winter continues and the Battle of the Bulge rages on, it will take an unprecedented combination of determination, grit, and unimaginable courage to thwart the Nazis's plans and defeat them, once and for all.

KEY SELLING POINTS:

- Readers will be transported to Belgium's Ardennes Forest with this daring examination of the Battle of the Bulge.
- Features true accounts of soldiers and nurses and others who lived to tell the tale, plus rare photographs. It's sure to thrill every history buff!
- Perfect for fans of the I Survived series.

KEY SELLING POINTS:

- A gripping, modern novel based on real historical events follows two sisters surviving the Russian invasion of Ukraine in February 2022.
- Celebrated Ukrainian Canadian author Marsha Forchuk Skrypuch handles difficult themes with intelligence and honesty.
- Marsha Forchuk Skrypuch takes us inside the infamous steelworks in Mariupol during the Russian siege and shines a light on a dark history of Russia's attack on Ukraine.
- An important story of strength, family and survival.

Twelve-year-old twin sisters Rada and Dariia Popkova couldn't be more different. Dariia is outgoing and chatty while Rada is quieter and artsy. But what they have in common is their love for each other and their home. The family lives in the Ukrainian city of Mariupol, which is attacked by the Russians on February 24, 2022. The attack separates the family—Dariia is with their mum and Rada with their dad. After separate struggles, the sisters have finally found their way back to each other. Though the siege has changed them, their love for their country and their family has remained the same. But their father is still somewhere out there, and they won't rest until they're all reunited.

It's 1936 in Berlin and Evie Harris can't believe her luck: She's competing in the Olympics, along with fellow American athletes like Jesse Owens. True, there's something creepy about Germany's leader, Adolf Hitler, who watches over the games with his Nazi henchmen. But Evie's just here to win a gold medal in gymnastics for her country. Until she discovers a horrible secret. Behind all the Olympic fanfare, the Nazis have Berlin in an iron grip of terror and violence—and war is brewing. With lives on the line and her family's future at stake, Evie has to choose between following her Olympic dreams and standing up to evil … before it's too late.

KEY SELLING POINTS:

- A heart-racing, plot-twisting story about the roots of World War II and the sacrifices we make for what matters most.

Samira Zidane lives in Nazi-occupied France during World War II ... and she has a secret: She and her mother are spies for the underground resistance. They crack codes and trade messages that will help sabotage the Nazis' plans.

When her mother is captured by enemy soldiers, Samira must travel through the war-torn countryside on a desperate and daring rescue mission.

And today just happens to be D-Day: the pivotal moment when Allied forces are landing in France. Battles rage all around her, and Samira only has a small dog named Cyrano for company. Can she save her mother from the Nazis before time runs out?

KEY SELLING POINTS:

- *Resist* is a companion novella to Alan Gratz's *Allies*. It can be read before or after reading *Allies*—or entirely on its own!
- An action-packed story of courage and defiance set against the backdrop of real historical events.

Peter, a boy of five, makes an extraordinary journey through wartorn Europe, travelling with his parents from a small Hungarian town, through Austria and on to Germany. Along the way, unforgettable images of adventure flash one after another: sleeping in a tent and then under the night sky, discovering a disused brick factory, catching butterflies in the meadows, before Peter realizes that the adventure is really a nightmare, as he watches bombs fall from the blue sky outside Vienna and starts lessons with his mother in Bergen-Belsen. Drawn against a background of terror, starvation, and his father's and grandmother's deaths, this is a story of survival; of love between mother and son; and of enduring hope in the face of unspeakable hardship.

Young Michael Morpurgo always loved the small painting of a boat hanging on Aunty Iris's wall. But all she would ever say about it was that her beloved Alfie had painted it and given it to her years ago—before he'd left for France during World War II and had never come back. Michael decides to try and find out what happened to Alfie himself. He embarks on a journey that takes him to the marshes of an English coastal village and across the Channel into France, learning a profound lesson along the way about service and the surprising endurance of memory.

In the closing months of World War II, American bombs rained down on Nazi Germany and its territories, including Austria. As glass shattered around them in Vienna, an ordinary-looking horse named Nero and his stable mates, the dancing white Lipizzaner stallions of the famed Spanish Riding School, quiver and shake in fear. But they do not panic. Somehow, they sense the school's director, dedicated horseman Alois Podhajsky, will do everything he can to keep them safe. Yet Alois can't do it alone. And in the chaotic last days of the war, as their fate becomes more uncertain than ever, Nero will play a key role in helping Alois appeal for aid from an unlikely ally—America. But time is running out. It will take a daring band of American soldiers—along with horse lovers from opposing sides—to pull off a secret mission to save the Lipizzaners from certain destruction. United by their love of horses, these unsung heroes risked their lives to preserve the majesty of this rare breed for generations to come. Join the ride as critically acclaimed author Deborah Hopkinson brings to life the exhilarating true story of Operation Cowboy and the miraculous survival of the Spanish Riding School. Featuring rare family photos and told for the first time for young readers, *They Saved the Stallions* is bound to please every history fan and horse lover. Scholastic Focus is the premier home of thoroughly researched, beautifully written, and thoughtfully designed works of narrative nonfiction aimed at middle-grade and young adult readers. These books help readers learn about the world in which they live and develop their critical thinking skills so that they may become dynamic citizens who are able to analyse and understand our past, participate in essential discussions about our present, and work to grow and build our future.

KEY SELLING POINTS:

- Deborah's intensive research and engaging narratives have won her recognition across the library and education world.
- Deborah has a longstanding career and excellent relationship with Scholastic.
- Deborah is a renowned nonfiction writer whose care and sensitivity for topics such as World War II has catapulted her to dizzying heights in the nonfiction sphere.

There's a track winding back, to an old-fashioned shack, along the road to Gundagai ...

The words are familiar, but the story they tell may not be. Andrew McLean's illustrations bring to life the story of the men who went to the Great War, many of them never to return home. A poignant story of war and homecoming to the lyrics of the iconic song, this edition includes a new recording of the song, movingly performed by Paul McDermott.

Inspired by the true story of his father's cousin, Michael Rosen presents an astonishing wartime story of perseverance and hope in the face of horrors and hardship. Beginning in 1939, young Solly in London exchanges letters with his teenaged cousin, Bernie, in Poland. While Solly is evacuated and tries his best to adjust to life in the English countryside, Bernie's parents know that as Jews they're not safe staying in Warsaw, so they send Bernie to the Russian-occupied side of the country in the hope that he'll be safer there. Soon, though, he is arrested and sent off to a forced labour camp in Russia. As the cousins exchange sporadic letters, they try to keep their spirits up, trading jokes and observations about the world changing all around them. Then Bernie seizes the opportunity to join the 'Anders Army' and fight the Axis powers, and tells Solly all about his experiences in Iran and eventually Italy, where he fights alongside the British at the famous Battle of Monte Cassino. Will Bernie survive this war and find a safe place to call home?

Making paper aeroplanes doesn't feel like science (although this book explains some of the science behind flying paper aeroplanes), and it's not quite art. Near as we can figure, launching a regular old piece of paper so that it soars is pure magic. With magic in mind, we present step-by-step instructions for folding aerobatic amazements. The 10 aeroplanes in this book are the best we've ever seen, from the Nakamura Lock (which could just be the best-flying paper aeroplane you've ever folded) to the Spy Plane (designed to fly high and stay aloft for a longer time than most other paper aeroplanes). This big book comes complete with 40 sheets of flight-tested, ready-to-fold paper, printed on both sides in a variety of 20 colourful patterns, including leopard print, wood grain, hot rod flames and lose-it-on-the-lawn grass. It's everything you need to rule the skies.

KEY SELLING POINTS:

- 10 plane designs with step-by-step instructions for aerobatic amazements!
- 56-page book plus 40 sheets of paper in a variety of groovy patterns let you practise and fold tons of aeroplanes.
- A time-tested classic, this is the ultimate book of the best paper aeroplanes ever designed!

Format:	PAPERBACK		

In a realm without dreams, one fairy's magic could unravel it all. When frost fairy Periwinkle travels too close to the forbidden border where Spring meets the Winter Woods, she begins to dream for the first time. While Periwinkle's dreams start sweet, they slowly morph into disastrous visions of the Pixie Dust Tree—the source of life for all of Pixie Hollow—destroyed. Soon Periwinkle is confronted by Weaver, the infuriatingly handsome stranger, who claims to be a dream-talent fairy, the last of his kind. There's a chance he can spin Periwinkle's dreams into dream-thread, which could protect the Pixie Dust Tree. But dreaming is dangerous, and as Periwinkle's dreams begin to unravel, she will start to question everything she thought she knew. For in Winter, even beautiful things can hurt you ... and Weaver is no exception. Now told in stunning Manga art!

KEY SELLING POINTS:

- Set centuries after the *New York Times* bestseller *Wings of Starlight*, *Wings of Reverie* further expands the world of Disney Fairies and explores the story of Periwinkle and Weaver.
- Fairy-centric romances are currently making a significant impact on the market thanks to the 'romantasy' readers of TikTok. Combined with the power of the large cult following for the Disney Fairies franchise, this popular series marries two demographics of passionate fans.
- Now adapted into stunning Manga art, readers can experience the story of Periwinkle and Weaver like never before.

It's all come down to this, but will Sonic be able to overcome the odds and emerge victorious? The world has fallen to the Metal Virus, a manufactured plague that transforms all it infects into robotic zombies at Dr. Eggman's command. Even Sonic the Hedgehog has been infected, though his speed has allowed him to keep the virus at bay. Now, with the population more infected than not and the virus constantly spreading, Sonic and his friends in the Restoration launch a desperate plan to cure the world: Tails will synthesise an antidote, Amy will coordinate rescue operations, and Sonic will provide valuable data on how to combat the disease … but when things go awry, it all comes down to the last minute!
