

'Australians all
I need **your** help,' said Santa Claus one day,
'to get my Christmas stocking stuffing
done by Christmas Day!

I need an Aussie animal,
but who can pass the test?

'Pick me! Pick me!' the creatures cried.

'**Pick ME** 'cos I'm the best!'

Koala did some climbing
but he **drifted** off to sleep.

Dingo **grabbed** some presents
but she plopped them in the **creek**.

And Tassie Devil

Christmas-**wrapped**

a mob of wallabies.

Possum got the
tinsel **tangled**
high up in the trees.
