

**Dear Parents, Grandparents, Uncles, Aunts, Cousins and Neighbours,**

*It's great to be needed!*

And we certainly need you! There are so many vital tasks you could undertake at our school! Most of all we need you to help with BOOK CLUB! Helping with Book Club doesn't have to take up a lot of your time ... it could be as little as a few hours per term.

Book Club is all about bringing children and books together; there is nothing more precious than the gift of reading. PLUS, running Book Club rewards both the school and the students with FREE resources.

Contact the school for details. And thank you in anticipation!

Yours,
