Power up with *Dog Man: Big Jim Believes* from the global #1 best-selling author and award-winning artist Dav Pilkey. Join the journey as our heroes discover the influence of belief and find truth from within. With threads of self-awareness, confidence and integrity, Dav Pilkey masterfully crafts a humorous and heartfelt adventure, weaving together the importance of truth, goodness and believing in yourself. The celebration comes to a halt for our heroes in *Dog Man: Big Jim Believes* when the mischievous Space Cuties From Space return. Our caped crusaders—Dog Man (aka Scarlet Shedder), Commander Cupcake and Sprinkles—along with Mecha Molly discover that the city has changed and nothing is how it should be. Can Big Jim's positivity and innocence help our heroes? Will Dog Man, Big Jim, Grampa and Molly have the courage to trust each other and save the day? How does the past help shape the future? And who is the chosen one?

SALES POINTS:

- The newest book in Dav Pilkey's #1 worldwide best-selling literary phenomenon.
- Dav's wildly popular Dog Man series appeals to readers of all ages and explores universally positive themes, including empathy, kindness, persistence and the importance of being true to one's self.

The graphic novel adaptations of the #1 *New York Times* best-selling *Wings of Fire* series continue to set the world on fire!

Three dragons. One unavoidable, unpredictable destiny. This is the beginning ... of the end. In the SeaWing kingdom, a young prince learns he is an animus—capable of wonderful magic that comes with a terrible price. In the mind of a NightWing dragonet, a thousand futures unfold—and almost all of them, she knows, lead to disaster and destruction. And under three full moons and the watchful eyes of his NightWing mother and IceWing father, the most powerful dragon Pyrrhia will ever know is clawing his way out of his egg: Darkstalker, the dragon who will change the world forever. Long before the SandWing war, lifetimes before the Dragonet Prophecy ... darkness is born.

When you've been set up to lose everything you love, what is there left to fight for? Revisit the world of Panem twenty-four years before the events of The Hunger Games, starting on the morning of the reaping of the Fiftieth Hunger Games, also known as the Second Quarter Quell. As the day dawns on the fiftieth annual Hunger Games, fear grips the districts of Panem. This year, in honour of the Quarter Quell, twice as many tributes will be taken from their homes. Back in District 12, Haymitch Abernathy is trying not to think too hard about his chances. All he cares about is making it through the day and being with the girl he loves. When Haymitch's name is called, he can feel all his dreams break. He's torn from his family and his love, shuttled to the Capitol with the three other District 12 tributes: a young friend who's nearly a sister to him, a compulsive oddsmaker, and the most stuck-up girl in town. As the Games begin, Haymitch understands he's been set up to fail. But there's something in him that wants to fight ... and have that fight reverberate far beyond the deadly arena.

SALES POINTS:

- This deluxe Collector's edition includes new cover art with metallic foil details, stained edges with stencilled art, full-colour floral endpapers and exclusive back matter.
- A must-have for all Hunger Games fans.

A charming and funny graphic novel about family, friendship and self-discovery! Twelve-year-old Luna never wanted to move from California to Virginia, even if it is near historic Washington, DC, and no matter how excited her dad is to introduce her to the area where her late mother grew up. And she definitely doesn't want to live with a very formal grandmother she barely knows. But during a visit to the National Museum of Natural History, the rarely seen luna moth for which Luna was named sparks her curiosity. Using her mother's old naturalist notebooks as a guide, Luna, who has always preferred the indoors, endeavours to see a real luna moth with her own eyes. Learning more about nature just might help her make a new friend, figure out how to feel at home in her new life, and understand the mother she never got the chance to know.

Emma can't help comparing herself to her bright and popular older sister, Julia. Try as she might, Emma can't seem to please her mum as much as her sister does. And trying to be as good as everyone else at everything is exhausting and frustrating. With help from her friends, as well as Lexi, the French bulldog she's dogsitting, Emma realises that there's no such thing as 'perfect'—and it feels better to be true to herself, instead of trying to please others. But will other people, especially her mum, understand that Emma may not excel at the same things as her sister?

Seventeen-year-old Marin James has spent her entire life living in the shadow of the exclusive Huntsworth Academy. So when her cousin's dead body is found in a creek on school property, Marin knows exactly who's to blame: Adrian Graves and Henry Wu, the enigmatic, yet dangerous leaders of the school's ecosystem. Swapping her ragged T-shirts for a crisp prep school uniform, Marin infiltrates Huntsworth to exact her revenge. But her quest for vengeance is quickly muddled by a confusing attraction to her new life, and to the two dysfunctional and devastating boys who understand her better than anyone ever has. When Marin uncovers a dark, eerie secret hiding behind Huntsworth's ivied gates, the lines between justice and vengeance, love and hate, and the real and supernatural begin to crumble—and nothing is as it seems.

SALES POINTS:

- For fans of *The Atlas Six*, *The Raven Boys* and *We Were Liars*, comes this deliciously dark, mind-bending tale of revenge, sinister privilege and forbidden desires.
- Part supernatural thriller, part murder mystery, Jenni Howell's debut tale is full of chills and scares.

Welcome back to Chestnut Close, whose residents may not always be exactly who they seem ... Clever, curious Melody Bird has discovered an old abandoned house in the corner of the graveyard, and a mysterious boy hiding there. Hal tells her that he's a spy-in-training using the house as a base for his undercover surveillance of a known local criminal. Her friends Matthew and Jake don't believe that a twelve year old would be entrusted with this mission and turn the tables to spy on him, uncovering secrets and unravelling a mystery as they go.

SALES POINTS:

- This companion novel to huge bestseller *The Goldfish Boy* has the same middle grade magic formula of heart, humour, a page-turning mystery plot and a cast of wonderfully real characters.
- Over 100,000 copies of Lisa's books sold.

One wild summer ... Twelve-year-old Skye has just rescued a baby fox she's named Kitkat, with the help of her Park Ranger cousin Braeden. Skye would usually release the fox back into the wild as soon as it's healed, but this baby fox was injured by a trap. No one hurts a baby animal and gets away with it as long as Skye's around, and now she's on a mission to find the poacher! When Skye takes Kitkat to the vet, she meets a quiet girl named Ivy. To Skye's surprise, Ivy decides to join in on the investigation and a friendship starts to form between the girls. But will these new friends uncover the true identity of the poacher and safely release Kitkat back into the wild?

SALES POINTS:

- Adorable and heartwarming novel that will appeal to animal lovers, especially tween girls.
- The series explores various aspects of young girls' lives such as school, crushes and overcoming challenges.

Opening the bridge between Auradon and The Isle of the Lost was the easy part—bringing two very different cultures together will be the real challenge! Mal, the future Queen of Auradon, appoints the two people who best personify their respective homes as consultants: Audrey for Auradon and Uma for The Isle. Together, they're charged with planning The Friendship Market, created to introduce their cultures to a new group of people, but their clashing personalities are leading to some friction. As Mal sees it, Audrey and Uma can only understand the best of both worlds by experiencing each firsthand—meaning that Audrey needs to work a day in Uma's life and Uma needs to walk a day in Audrey's shoes. Will sharing one another's experiences, complete with awkward mishaps and unexpected situations, show they're more similar than they thought?
