

# ONE

Hello! I'm Niki. I may look like a **regular** kid, but I'm actually a **ninja**!

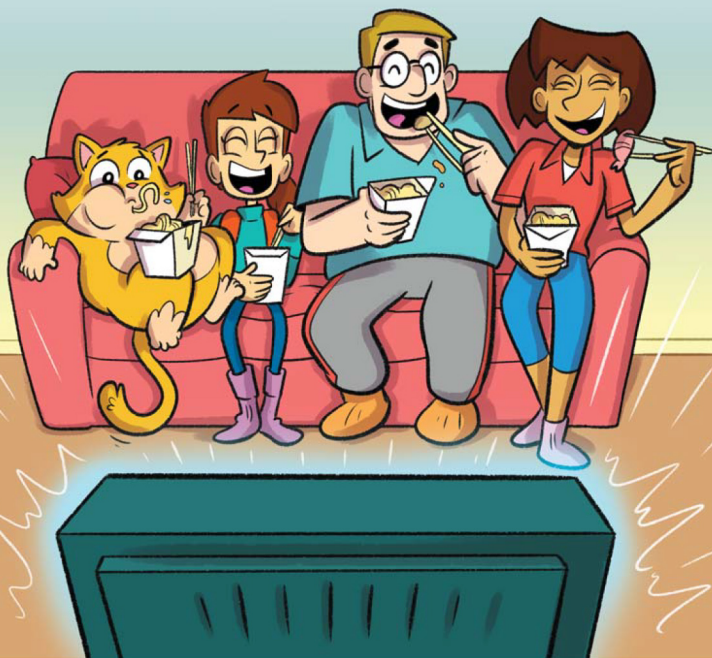

It all started not long after I turned ten. That's when I found out I was adopted. Let me **rewind** . . .

I still don't know much about my birth dad, except that my **awesome** new ninja skills have something to do with him.

I know this all sounds a little **bizarre**, but my life is mostly normal. I go to school, do my homework and eat dinner with my parents. It's just that every now and then something happens that reminds me my life is **not** normal at all . . .

It all started on Sunday when Connor and I were talking about my **excursion** to the zoo the next day.
