

BSC FORTUNE TELLER

Which characters from The Babysitters Club books are you and your friends most like? Fold this origami fortune teller, and answer a few simple questions to find out!

- 1 Carefully cut out the fortune teller paper on page 19. Place the paper facedown on a table. You should be looking at the dotted lines.

- 2 Fold the bottom right corner up to the top left corner diagonally, so you make a triangle. Crease the paper firmly.

- 3 Unfold the paper. Then fold it diagonally the opposite way: bottom left corner to top right corner.

4 Unfold the paper again, so there's a folded X across the page. Fold each corner to the center of the paper, in the center of the X.

5 The paper should look like a diamond.

6 Flip the whole thing over. Now fold each corner so it meets perfectly in the center.

7 It should now look like a smaller square.

8 Fold the square in half from side to side.

9 Unfold the square. Then fold it top to bottom.

10 Place each of your thumbs and index fingers in each pocket. Pinch your fingers to bring the corners together. Now you're ready to play!
