Howl with laughter with the EIGHTH book in the hilarious full-colour, illustrated series, Dog Man, from the creator of Captain Underpants! Petey the Cat is out of jail, and he has a brand-new lease on life. While Petey's reevaluated what matters most, Li'l Petey is struggling to find the good in the world. Can Petey and Dog Man stop fighting like cats and dogs long enough to put their paws together and work as a team? They need each other now more than ever—Li'l Petey (and the world) is counting on them!

#### SALES POINTS:

- Dav Pilkey's wildly popular Dog Man series appeals to readers of all ages.
- Explores universally positive themes, including: empathy, kindness, persistence, and the importance of being true to one's self.

The dreamers walk among us... and so do the dreamed. Those who dream cannot stop dreaming—they can only try to control it. Those who are dreamed cannot have their own lives—they will sleep forever if their dreamers die. Ronan Lynch is a dreamer. He can pull both curiosities and catastrophes out of his dreams and into his compromised reality. Carmen Farooq-Lane is a hunter. Her brother was a dreamer... and a killer. She has seen what dreaming can do to a person. And she has seen the damage that dreamers can do. But that is nothing compared to the destruction that is about to be unleashed...

If you thought you'd heard every fairytale, then you thought wrong... In a faraway kingdom, in a magical place forgotten by time, two girls live happily. Their lives are completely different—in fact, they've never even met—but the girls are bound by three things: They are both orphans. They both wear a pendant given to them by their parents. They look identical. When a chance meeting throws the girls together, their worlds are turned upside down as a past they never knew they had leads them to a future they could never have dreamed of. Danger, mystery and magic await. Their story began once upon a time. But how will it end?

### SALES POINTS:

- A brand-new fairytale for today's children—a classic-in-the-making with a modern twist.
- Gripping story of family, identity and fighting for what's yours.

The tale is as old as time: a cruel prince is transformed into a beast. A lovely maiden comes into this monster's life. He is transformed by her compassion, and the love he feels for her in return. The two live happily ever after. But any tale, especially one as storied as Beauty and the Beast's, has been told many times, and in many different ways. No matter which version one hears, the nagging question remains: what was it that transformed the prince into the beast we are introduced to?

### SALES POINTS:

It's been three months since the colony world of Meridian was invaded by the alien alliance known as the Covenant. Under close supervision by the Office of Naval Intelligence and Meridian's Militia forces, Evie, Dorian, Saskia and Victor have been training hard to return to their home and assist the UNSC in a mission to monitor a recently-discovered Forerunner artifact of untold power. But when they arrive on Meridian's surface, they find a world in turmoil. With the artifact at risk of falling into Covenant hands, the stakes are raised, and the UNSC is asking the teens to complete increasingly dangerous missions. Pulled between a desire to fight for their home and a growing distrust of the military, the teens find themselves in more danger than they could ever prepare for...causing them to make a fateful choice that will ripple through generations to come.
