Mitch Vane (not a man - Mitch is her nick-name) grew up watching her mum work as a painter and fashion illustrator, and she decided she wanted to be an artist too, so she started working in advertising, then moved into publishing, and now she draws illustrations for kid's books and paints canvases. Mitch has worked with lots of children's book authors, including Jackie French, Ursula Dubosarsky, Jen Storer, and her partner Danny Katz (together they created the much-loved *Little Lunch* books). All of her work is wonky and messy, and her desk is too - it's usually covered in paper, paint tubes, ink splotches, water bottles, empty tea cups, pencil shavings and biscuit crumbs from the last three months.

REVIEWS

"Absolutely, Laugh Out Loud, Hilarious!!!! From the winning duo of Danny Katz and Mitch Vane who brought us the Little Lunch series... Kids will love the language as well as the hilarity of the various battles that the team face together...right up to the one that almost brings an end to their mission"

— Julie Garner, Goodreads, 2018
