The Poison Pen knows all your secrets...

Archie, Betty, Jughead, Veronica and the rest of the gang are getting ready for life after high school—or, at least, they're trying to. But then, one by one, they all receive a mysterious letter from someone calling themselves the Poison Pen.

The letter writer knows some of Riverdale's deepest, darkest secrets. The Poison Pen is threatening to reveal all unless Archie and his friends do exactly what they're told—from posting embarrassing videos of themselves online to blowing up someone's marriage.

The letters aren't stopping, and the stakes are getting higher with each one. If they can't find the Poison Pen soon, Betty, Jughead, Veronica, Archie, Kevin, Cheryl and Toni might not have a future left to protect!

Told from alternating points of view, this novel set in the Riverdale universe is an original story not seen on the show!
