Inspired by the true story of his father's cousin, Michael Rosen presents an astonishing wartime story of perseverance and hope in the face of horrors and hardship. Beginning in 1939, young Solly in London exchanges letters with his teenaged cousin, Bernie, in Poland. While Solly is evacuated and tries his best to adjust to life in the English countryside, Bernie's parents know that as Jews they're not safe staying in Warsaw, so they send Bernie to the Russian-occupied side of the country in the hope that he'll be safer there. Soon, though, he is arrested and sent off to a forced labour camp in Russia. As the cousins exchange sporadic letters, they try to keep their spirits up, trading jokes and observations about the world changing all around them. Then Bernie seizes the opportunity to join the 'Anders Army' and fight the Axis powers, and tells Solly all about his experiences in Iran and eventually Italy, where he fights alongside the British at the famous Battle of Monte Cassino. Will Bernie survive this war and find a safe place to call home?

- The Royal British Legion has provided an afterword giving easy-to-understand historical context and fascinating facts related to this epic story.

A portrait of a remarkable man who volunteered to face the unknown in the name of truth and country. In 1940, Witold Pilecki volunteered to assume a false identity and deliberately get himself sent to the camp. Its name was Auschwitz. Over the next two and half years, and under the cruellest conditions, Pilecki worked to forge an underground army to sabotage camp facilities and foment rebellion. He pieced together the horrifying truth and realized he would have to risk his men and even his life to smuggle out evidence and warn the West, and thus stop the horror before all was lost. To do so meant attempting the impossible: an escape from Auschwitz itself.

SALES POINTS:

- Jack Fairweather's adult nonfiction project on this topic, THE VOLUNTEER, was highly acclaimed. He is a former war reporter in Iraq and Afghanistan and is also the author of A WAR OF CHOICE and THE GOOD WAR.
- He has served as the Daily Telegraph's Baghdad bureau chief, and as a video journalist for the Washington Post in Afghanistan. His war coverage has won a British Press Award and an Overseas Press Club award citation.
- WWII continues to be a curriculum mainstay. This story of one of the war's unsung heroes is an inspiring and captivating narrative, accompanied by extensive photos.
- A definitive look at one of the first outsiders to bear witness to the horrors of the Holocaust. Informative, chilling, and necessary.
