I am a collector. Always looking, finding ... and keeping!

Bowerbird loves BLUE. Magnificent cobalt. Brilliant, vibrant BLUE! But something is missing. What could it be?

This picture book from Aura Parker stars a beautiful bowerbird on the search for BLUE! It's a moving story of longing and connection, that unfolds as the bowerbird's search sends him soaring across the sea, sky and city. He swoops and snatches vibrant treasures for his collection, and soon his bower—a mix of natural and unnatural objects—attracts something greater and more fulfilling than he could ever have imagined.

SALES POINTS:

- A gorgeous and moving story about patience, persistence, and searching for fulfilment.
- Perfect story for nature lovers, that subtly touches on environmental themes.
- Filled with tiny details to discover on every page.
- Look-and-find items hidden throughout the endpapers—discover them all!
- Themes: longing, searching, patience, isolation, environment, waste, nature, bowerbirds, mateship, connection.

As a boy with the forbidden ability to traverse the lands of the dead, he must not only harness his newfound powers to fight the monster that stalks him, but also to navigate a creepy world of hunting ghosts and ghouls with his eccentric classmates. And that's only the start of his concerns. There's also the tangled on a boy who barely looks at him twice ... and the deadly family history that brought him to the halls of Gallowgate Academy in the first place. For Sebastian Wight, fighting the dead might be hard ... but it's dealing with the living that may bring him down.

SALES POINTS:

- K. R. Alexander is a master of horror with just the right scare for middle-grade readers, without the gore or horror of books for older readers.
- *Gallowgate* represents a new turn for K. R. Alexander, weaving together horror and fantasy for a very Ransom Riggs-ian read.
- There are over half a million copies of K. R. Alexander's *The Collector* in print!

CALL OF THE TITANIC

Alberto's life isn't easy: He's an undocumented immigrant from Mexico who lives with his sister's abusive boyfriend, but he'd always accepted his place in the world. Until he starts hearing the voice of a man called Captain America, a voice that wants him to achieve more, no matter the cost. Grace has it all: She has a supportive boyfriend, she's on track to be valedictorian, and she's sure to go to the college of her dreams. Still, nothing feels right to her any more after the divorce of her parents, and feels she needs something more. When Alberto and Grace meet, they have an immediate and electric connection. But when Alberto is present at the scene of a terrible crime, he becomes a suspect. And with his developing schizophrenia, he's not even sure he believes in his own innocence. Can Grace find a way to prove Alberto's innocence to himself and the world? This is a page-turning thriller and a sensitive story about mental health, love, and community that will appeal to anyone who has struggled with their place in the world, from award-winning author Francisco X. Stork.

SALES POINTS:

- Coming out of the pandemic, young people's mental health is suffering. This is a book that deals directly with themes of mental health and that will help readers feel seen and understood.
- Award-winning author Francisco X. Stork revisits some of the themes and ideas that made *Marcelo in the Real World* such an unforgettable novel.
- Will appeal to Francisco Stork's existing audience of YA readers and educators, to fans of books about mental health and to young readers eager to feel less alone.
- A powerful book about the gradual development of schizophrenia in a vulnerable young man.
- Both an intense, fast-paced thriller storyline and also a deep and sensitive look at mental health and community.
- An unlikely, immediate and electric love story between two very different people makes this a compelling and deeply romantic read as well.
- Francisco views this as one of the most complex and challenging books he's written yet.

Can two kids save the world and work their family food truck? First-generation Filipino siblings JJ and Althea struggle to belong at school. JJ wants to fit in with the crowd, while Althea wants to be accepted as she is. But that hope seems like a long shot, for both of them. To make matters worse, they have to help their parents run the family food truck by dressing up as a dancing pig and passing out samples. Ugh! And their mum is always pointing out lessons from Filipino folklore—annoying tales they’ve heard again and again. But when witches, ogres and other creatures from those same stories threaten their family, JJ and Althea realise that the folklore may be more real than they’d suspected. Can they embrace who they really are and save their family?

SALES POINTS:

- Perfect for fans of Kristen Gudsruk, Molly Knox Ostertag and Svetlana Chmakova, this family-focused MG graphic novel explores the fantastical elements of Filipino culture while keeping the story grounded in immigrant family dynamics.
- With both a male and female protagonist, this book has broad commercial appeal while supporting our mission to publish more books from diverse cultures.
- Zachary Sterling is a *New York Times* best-selling illustrator and cartoonist! His authorial debut, *Punch Up!*, will release in Summer 2023 with Oni-Lion Forge, and will prime his readers for *Mabuhay!*
- Loosely based on the author’s own relationships and feelings, *Mabuhay!* is very much a love letter from Zachary to his family.
- Clubs have a lot of enthusiasm for this title, loving the story and art style!

He [Ai Weiwei] felt the life jackets and an idea curled and crested through his fingertips. The way it always did. Told in Joanna Ho's signature lyrical writing, this is the story that shines a light on Ai Weiwei and his journey, specifically how the Life Jackets exhibit at Konzerthaus Berlin came to be. As conditions for refugees worsened, Ai Weiwei was inspired by the discarded life jackets on the shores of Lesbos to create a bold installation that would grab the attention of the world. Catia Chien masterfully portrays the intricate life of Ai Weiwei with inspirations from woodblock printing and a special emphasis on the colour orange, the same colour of the life jackets that became a beacon of hope. Through Catia's dynamic and stunning illustrations, we see how Ai Weiwei became the activist and artist he is today while proving the power of art within humanity.

SALES POINTS:

- New York Times best-selling author, Joanna Ho, brings forth a brand-new picture book biography about the remarkable activist and artist, Ai Weiwei.
- Joanna Ho is a recipient of the Golden Kite and Ezra Jack Keats Award. Her first book *Eyes that Kiss in the Corners* has sold over 125,000 copies since it came out in 2021.
- Poetic and lyrical text makes it a powerful and engaging read-aloud that is sure to inspire readers to be creative.
- This important book shines a light on universal themes of home and refugees and most importantly, invites readers to take a stand.
- Award-winning artist Cátia Chien.
- Striking illustrations and a limited palette show the strength and power of humanity and the colour orange as the light of hope.
- The first picture book about the award-winning Chinese contemporary artist, documentarian, and activist, Ai Weiwei and an introduction to his acclaimed works, including his 14,000 refugee life jacket art installation in Berlin.

As the studio that started it all celebrates its 100th year, Walt Disney Animation Studios presents an original feature film, *Wish*, which asks the question: 'How did the wishing star, upon which so many characters wish, come to be?'

The all-new story is set in the magical kingdom of Rosas, where Asha, an optimist with a sharp wit who cares deeply for her community, turns to the sky in a moment of need and makes a wish. Asha's plea is answered by a cosmic force, a little ball of boundless energy, Star. Together they will face the most formidable of foes to save her community and prove that when the will of one courageous human connects with the magic of the stars—wondrous things can happen. This novel captures the magic of *Wish* for fans in a retelling for younger readers.

A modern tale of unexpectedly falling in love and finding your voice, *Kiss the Girl* is the highly anticipated third instalment in the acclaimed and best-selling *Meant to Be* collection.

Ariel del Mar is one of the most famous singers in the world. She and her sisters, known as the band Siren Seven, have been a pop culture phenomenon since they were kids. On stage, wearing her iconic red wig and sequined costumes, staring out at a sea of fans, is where she shines. Anyone would think she's the girl who has everything.

But lately, she wants more. Siren Seven is wrapping up their farewell tour, and Ariel can't wait to spend the summer just living a normal life—part of a world she's only ever seen from the outside. But her father, the head of Atlantica Records, has other plans: begin her breakout solo career immediately, starting with a splashy announcement on a morning talk show.

The night before, Ariel and her sisters sneak out of their Manhattan penthouse for a night of incognito fun at a rock concert in Brooklyn. It's there that Ariel crosses paths with Eric Reyes, dreamy lead singer of an up-and-coming band. Unaware of her true identity, Eric spontaneously invites her on the road for the summer. And for the first time in her life, Ariel disobeys her father and goes with him.

Caught between the world she longs for and the one she's left behind, can Ariel follow her dreams, fall in love and, somehow, find her own voice?

SALES POINTS:

- A new series that reimagines the Disney princesses as heroines in delightfully modern romantic comedies that are perfect for millennial readers.
- Previous bestselling titles in this series: *If the Shoe Fits* by Julie Murphy and *By the Book* by Jasmine Guillory.
- The *Meant to Be* collection is Disney's stunning take on the newly re-popularised contemporary romance genre. Mixing pop culture with unique new storylines, this YA series is a hit with fans.

Twelve-year-old Shang-Chi and his younger sister, Shi-Hua, are the only children in the grand palace of the Five Weapons Society. Their father, Zheng-Zu, is a harsh master and all Shang-Chi wants is to prove himself in his father's eyes. So when he overhears that his father's powers may be waning and discovers an ancient scroll that might be the key to helping him get those powers back, Shang-Chi knows exactly what to do. For the first time in his life, he sneaks out of the palace and into the outside world, hoping to return with one of the legendary Peaches of Immortality to gift his father. But the world beyond the palace is very different from everything Shang-Chi has been taught, especially a boy called Lu, who knows more about Zheng-Zu than he should. With his home and father's health on the line, Shang-Chi cannot fail in his quest but does his father deserve to be saved?

SALES POINTS:

- *Shang-Chi and the Legend of the Ten Rings* was a huge hit, grossing over \$430 million worldwide. The movie has now brought this Asian Super Hero into the spotlight!
